Junior Camp is the traditional 4-H camping experience. Meigs County 4-Hers spend a week at the Clyde Austin 4-H camping center in Greeneville, TN. They get to swim, hang out with other campers, and do fun activities while away. Our 4-H agents, Mrs. Kyra and Mrs. Andie attend 4-H camp and are there all week with the campers. Additionally, we send other adult and teen leaders as needed. Students attending camp meet at the Meigs County Fair Grounds Monday morning and ride on a bus to camp. They return back to the fairgrounds on Friday around lunch time. All meals at camp are included in the camp registration fee as well as their t-shirts. We hope your student will consider spending a week at camp with us making memories. Here is a video that show more about what activities are offered at camp:
