This camp is an advanced version of the traditional 4-H camping experience. 6th-8th graders are invited back to the Clyde Austin 4-H Center in Greeneville, TN to participate in a week of challenges similar to an Amazing Race/Survivor theme. Campers are divided into tribes and compete all week in a variety of challenges. Additionally, campers get to explore surrounding attractions with some off-campus activities. The leaders will also share some opportunities 4-Hers have to look forward to when they reach high school. Follow this link to watch a video about Junior High Camp.
