This is a camping opportunity designed to meet the interests of students wanting to learn more about shooting sports and to improve their skill level in this area. Campers will also get to do traditional camp activities like enjoy camp fires and swim, but the majority of their activities will be focused on shooting sports. Meigs County 4-H is likely unable to provide transportation to this camp, so please ensure your camper would be able to get to camp and back before completing the registration process by May 8th.
